Spotlight on Talent
Program Ads**

Dear Contestant,

For the past few years many families and friends of our performers have asked about the possibility of placing a personal message to contestants in the program. This year, Spotlight on Talent will have a larger program in order to accommodate this request. We would like to fill the program from cover to cover with personal messages, pictures and words of encouragement to our finalists.

We are able to offer spaces for family, friends and businesses to recognize their special performer for:

¼ page - \$40.00 ½ page - \$60.00 Full page - \$80.00

The proceeds will go towards production costs of Spotlight on Talent (facility rental, cash prizes, trophies, ribbons etc.)

This year's Spotlight on Talent promises to be better than ever and full of extremely talented young people. Be a part of it by placing an ad for yourself or surprise a friend. We know everyone will enjoy reading this new program over and over.

Don't forget about the corporate sponsorship contest! Corporate sponsorships start at \$100.00. A copy of the letter to corporations can be found on the website www.heritagearts.org The contestant who collects the most corporate sponsors will win \$100.00. Businesses that have already donated can contact HACA so an individual can be credited with the donation.

Please return by March 15 to:
